# Eye on 2019, Centre plans massive outreach blitz

Focus on social media, regional press in listing out achievements of Modi govt

ARUP ROYCHOUDHURY  
New Delhi, 15 May

To mark the completion of its fourth year in office, the Narendra Modi government is planning a massive media and social media outreach, listing out its achievements, as well as setting the stage for the 2019 general elections. The focus would be on the Centre's economic achievements. This would include outreach through Facebook, WhatsApp, Twitter, increase in number of media briefings and interviews, and

a focus away from Delhi and Mumbai-based English and Hindi media for greater visibility in the vernacular, regional press. On Tuesday, when the ruling Bharatiya Janata Party emerged as the single-largest party in Karnataka, the finance ministry tweeted a chart showing its achievements in providing credit to farmers. The chart stated that farm credit had been targeted at ₹11 trillion in 2018-19, from ₹9 trillion in 2016-17. Officials said that over the coming weeks, ministries would send out tweets on various measures

such as the goods and services tax, highway and rail construction, power projects, rural electrification,

Swachh Bharat, affordable housing, Make in India, financial sector reforms, disinvestment, stock mar-

ket boom, demonetisation, efforts to combat black money, job creation and economic indicators such as inflation, fiscal deficit, gross domestic product, etc. While no written instructions were sent to any media unit under the ministry of information and broadcasting, all have got into action to celebrate the four years of the government. State-owned broadcasters such as All India Radio and Doordarshan are lining up programmes for the occasion. Other units like the Publications Division are dedicating a section in their journals on themes such as "New India", which will focus on highlighting the government's achieve-

ments and flagship programmes announced in the past four years. Last year, an official letter had been issued to media heads asking them to plan publicity to highlight the achievements of the government. This included media units apart from the core Press Information Bureau that interacts directly with the independent media by sending out releases on the achievements of the government. "This year, instructions have been conveyed on an informal basis. There will be a publicity blitz over the coming weeks. The ministers holding various portfolios will also be giving interviews to public broadcasters nearer to May

26," said an official. The government will complete four years in power on May 26. Senior officials in charge of media affairs at multiple ministries said they expect a rise in the number of press engagements during the last year of the government. "We are looking at a hectic year ahead, with some ministries planning weekly press briefings," said an official. Another official added that the government was now focused on the regional press. "Our colleagues in PIB centres across the country have been told to step up their efforts to get more coverage for central schemes in the vernacular press," he said.

## Bastar to get commercial air service from June 15

R KRISHNA DAS  
Raipur, 15 May

The skies in Bastar, infamous across the globe for Left-wing extremism, would not be confined only to airlift the injured jawans or dropping the security personnel for operations. People would now be able to fly in the skies of the red zone. The region will be connected to commercial air services from next month. The services would operate from the newly-built airport at Jagdalpur — the divisional headquarters of the Bastar region. "Rajiv Nayan Choubey, secretary with the ministry of civil aviation, has informed Chhattisgarh Chief Secretary Ajay Singh that the air services to connect Jagdalpur will start from June 15," said the state government spokesperson. Air Odisha, which won the largest number of routes in round one under the Udan scheme, will operate in the Raipur-Jagdalpur-Visakhapatnam routes. It would connect towns such as Bhubaneswar, Utkala, Raipur, Ranchi, Gwalior, Lucknow, and Kanpur, among others. Commercial air services to connect Bastar have been in demand for long. The state government had invited private companies to operate inter-city air services with the state, but had failed in its efforts.

## Allahabad Bank board divests CEO of all functional powers

NAMRATA ACHARYA  
Kolkata, 15 May

A day after the government initiated removal of Allahabad Bank Chief Executive Officer (CEO) Usha Ananthasubramanian following a CBI chargesheet in the Nirav Modi scam, the bank's board on Tuesday divested her of all her functional responsibilities. It also requested the government to make suitable arrangements for smooth running of the bank. On Monday, after similar government action against two executive directors of Punjab National Bank (PNB), K V Brahmaji Rao and Sanjiv Sharan, the PNB board, too, divested them of their financial and executive powers. "The board of directors has decided that Usha Ananthasubramanian, managing director (MD) and CEO be divested of all functional responsibilities with immediate effect and the ministry of finance, department of financial services, be requested to make suitable arrangements for the

bank,' Allahabad Bank said in a regulatory filing to exchanges on Tuesday. S Harisankar and N K Sahoo, executive directors of Allahabad Bank could not be reached for comments. On Monday, the Reserve Bank of India (RBI) barred Allahabad Bank from high-risk lending and raising high-cost deposits. The RBI advised the bank to restrict expansion of risk-weighted assets and reduce exposure to un-rated and high-risk advances. The bank has been under prompt corrective action (PCA) by the RBI since January this year. The RBI has also restricted the bank from creation of non-banking assets and has advised it to restrict accessing or renewing whole-sale or costly deposits or certificates of deposits. Allahabad Bank had posted a net loss of ₹35 billion for the quarter ended March 31, 2018, against a net profit of ₹1.1 billion in the fourth quarter of the previous financial year.
